To Whom It May Concern:

The support of members of the Pump House Center for the Arts is vital to our continuing operation and existence. Because of your help, we are able to keep the Pump House open to the community free of charge.

The Pump House provides opportunities for local and regional artists to display and market their works. Also, because of its unique beauty, the Pump House has become a popular place for weddings, wedding receptions, business meetings, and organization parties.

At this time, we invite you to renew your membership. Your membership is good for one year from the month in which you renew. Your new membership card will be available at the Pump House for pick up. Please detach the bottom portion of this paper and return with your payment. All memberships and donations are tax deductible to the extent provided by law.

We sincerely hope that you will renew your membership and continue your loyal support to the Pump House Center for the Arts. Your time and contributions to the Pump House are greatly appreciated.

Sincerely,

Priscilla V. Smith, Director
